**Procedures for Filing a Timely Response and
Information Regarding the Hearing on the Objection**

Contents. To facilitate a speedy and non-judicial resolution of a Claim subject to the Objection, any claimant filing a Response shall use its best efforts to include the following (at a minimum) in its filed Response, to the extent such materials are not attached to its proof of claim:

- a. a caption setting forth the name of the Bankruptcy Court, the name of the Debtors, the case number and the title of the Objection to which the Response is directed;
- b. the claimant's name and an explanation for the amount of the Claim;
- c. a concise statement, executed by (or identifying by name, address and telephone number) a person with personal knowledge of the relevant facts that support the Response, setting forth the reasons why the Bankruptcy

Court should overrule the Objection as to the claimant's claim, including, without limitation (to the extent not set forth in its proof of claim), the specific factual and legal bases upon which the claimant intends to rely in support of its Response and its underlying Claim;

- d. a copy of or identification of any other documentation or other evidence of the Claim, to the extent not already included with the Claim that the claimant presently intends to introduce into evidence in support of its Claim at the hearing; provided, however, that for a Response filed in support of a Claim arising out of a lease of real property, the Response need not attach such lease if the claimant indicates its willingness to provide such documentation upon request;
- e. a declaration of a person with personal knowledge of the relevant facts that support the Response;
- f. the claimant's address, telephone number and facsimile number and/or the name, address, telephone number and facsimile number of the claimant's attorney and/or designated representative to whom the attorneys for the Debtors should serve a reply to the Response, if any (collectively, the "Notice Address"). If a Response contains Notice Address that is different from the name and/or address listed on the Claim, the Notice Address will control and will become the service address for future service of papers with respect to all of the claimant's Claims listed in the Objection (including all Claims to be reduced or disallowed) and only for those Claims in the Objection; and
- g. to the extent such person differs from the person identified pursuant to subsection e, above, the name, address, telephone number, facsimile number, and electronic mail address of the representative of the claimant (which representative may be the claimant's counsel) party with authority to reconcile, settle or otherwise resolve the Objection on the claimant's behalf (collectively, the "Additional Addresses"). Unless the Additional Addresses are the same as the Notice Addresses, the Additional Address will not become the service address for future service of papers.

Additional Information. To facilitate a resolution of the Objection, your Response should also include the name, address, telephone number and facsimile number of the party with authority to reconcile, settle or otherwise resolve the Objection on the claimant's behalf. Unless the Additional Addresses are the same as the Notice Addresses, the Additional Addresses will not become the service address for future service of papers.

Failure to File Your Timely Response. If you fail to file and serve your Response on or before the Response Deadline in compliance with the procedures set forth in this Notice, the Liquidating Trust will present to the Bankruptcy Court an appropriate order granting the relief requested in the Objection without further notice to you.

Each Objection Is a Contested Matter. Each Claim subject to the Objection and the Response thereto shall constitute a separate contested matter as contemplated by Bankruptcy Rule 9014, and any order entered by the Bankruptcy Court will be deemed a separate order with respect to such claim.

Additional Information

Requests for Information. You may also obtain a copy of the Objection or related documents on the internet, by accessing the website of www.kccllc.net/circuitcity.

Reservation of Rights. Nothing in this Notice or the Objection constitutes a waiver of the Debtors' and/or the Trust's right to assert any claims, counterclaims, rights of offset or recoupment, preference actions, fraudulent-transfer actions or any other claims against you by the Liquidating Trust. Unless the Bankruptcy Court allows your Claims or specifically orders otherwise, the Liquidating Trust has the right to object on any grounds to the Claims (or to any other Claims or causes of action you may have filed or that have been scheduled by the Debtors) at a later date on any grounds or bases. In such event, you will receive a separate notice of any such objections.

The Circuit City Stores, Inc. Liquidating Trust (the "Liquidating Trust"), through Alfred
H. Siegel, the duly appointed trustee of the Liquidating Trust, pursuant to the *Second Amended*

¹ The Debtors in these cases include: Circuit City Stores, Inc., Circuit City Stores West Coast, Inc., InterTAN, Inc., Ventoux International, Inc., Circuit City Purchasing Company, LLC, CC Aviation, LLC, CC Distribution Company of Virginia, Inc., Circuit City Properties, LLC, Kinzer Technology, LLC, Abbott Advertising Agency, Inc., Patapsco Designs, Inc., Sky Venture Corp, Prahs, Inc., XSStuff, LLC, Mayland MN, LLC, Courchevel, LLC, Orbyx Electronics, LLC, and Circuit City Stores PR, LLC.

Joint Plan of Liquidation of Circuit City Stores, Inc. and its Affiliated Debtors and Debtors in Possession and its Official Committee of Creditors Holding General Unsecured Claims (the “Plan”) in the above-captioned cases, hereby files this *Liquidating Trust’s Sixty-Second Omnibus Objection to Claims: Disallowance of Certain Invalid Scheduled Claims and Reduction of Certain Partially Invalid Scheduled Claims* (the “Objection”), and hereby moves this court (the “Court”), pursuant to sections 105 and 502 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (as amended, the “Bankruptcy Code”), Rule 3007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Bankruptcy Rule 3007-1, for entry of an order in the form attached hereto as **Exhibit A**, granting the relief sought by this Objection, and in support thereof states as follows:

JURISDICTION AND VENUE

1. This Court has jurisdiction to consider this Objection under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and this Objection in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are Bankruptcy Code sections 105 and 502, Bankruptcy Rule 3007 and Local Bankruptcy Rule 3007-1.

BACKGROUND

2. On November 10, 2008 (the “Petition Date”), the debtors in the above-captioned cases (the “Debtors”) filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code.

3. On November 12, 2008, the Office of the United States Trustee for the Eastern District of Virginia appointed a statutory committee of unsecured creditors (the “Creditors’ Committee”).

4. On November 12, 2008, the Court appointed Kurtzman Carson Consultants LLC (“KCC”) as claims, noticing, and balloting agent for the Debtors in these chapter 11 cases pursuant to 28 U.S.C. § 156(c).

5. On December 12, 2008, the Debtors filed their *Schedules of Assets and Liabilities* (Docket No. 1130) (as amended, the “Schedules”), pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Bankruptcy Rules. In the Schedules, the Debtors reserved the right to object to any claim listed in the Schedules, whether or not the claim was designated as disputed, contingent, and/or unliquidated. Schedules at 14.

6. On February 18, 2009, the Debtors filed their *Amendment to Schedules of Assets and Liabilities* (Docket No. 2231).

7. On April 1, 2009, this Court entered an *Order Establishing Omnibus Objection Procedures and Approving the Form and Manner of Notice of Omnibus Objections* (Docket No. 2881) (the “Omnibus Objection Procedures Order”).

8. On August 9, 2010, the Debtors and the Creditors’ Committee filed the Plan, which provides for the liquidation of the Debtors’ assets and distribution of the proceeds thereof under chapter 11 of the Bankruptcy Code.

9. On September 10, 2010, the United States Bankruptcy Court, Eastern District of Virginia, signed an Order confirming the Plan.

10. The Plan became effective on November 1, 2010 (the “Effective Date”), and pursuant to the Plan and Liquidating Trust Agreement approved therewith, the Liquidating Trust assumed the right and responsibility to liquidate the Debtors’ remaining assets, evaluate and administer asserted claims, including prosecution of objections to claims, and to distribute the assets to creditors.

OBJECTION

11. By this Objection, the Liquidating Trust seeks entry of an order, in substantially the form attached hereto as **Exhibit A**, pursuant to Bankruptcy Code sections 105(a), 502 and 503, Bankruptcy Rule 3007 and Local Bankruptcy Rule 3007-1, (i) disallowing each of the claims identified on **Exhibit C** attached hereto, and (ii) reducing each of the claims identified on **Exhibit D** attached hereto in the amounts specified therein (collectively, the

“Claims”). The Claims were included in the Debtors’ original Schedules, but upon the Trust’s detailed review, are either invalid or partially invalid.

12. For ease of reference, attached hereto as **Exhibit B** is an alphabetical listing of all claimants whose Claims are included in this Objection (the “Claimants”), with a cross-reference by claim number.

A. Disallowance of Certain Invalid Scheduled Claims.

13. The basis for disallowance of the Claims listed on **Exhibit C** attached hereto (the “Invalid Claims”) is that each of the Invalid Claims asserts, in its entirety, amounts for which the Debtors are not liable.

14. Specifically, **Exhibit C** identifies Invalid Claims for which the Debtors’ books and records currently show no liability to the Claimant. After a review of each Invalid Claim and the bases upon which it was included in the Schedules, and a review of the Debtors’ books and records, the Liquidating Trust has determined that the Debtors have no liability on the Invalid Claims because, *inter alia*: (i) the books and records show no remaining liability on account of the Invalid Claim; (ii) the liability was resolved by payment through a bond or otherwise; or (iii) the liability was resolved.

15. Accordingly, the Liquidating Trust requests that the Invalid Claims identified on **Exhibit C** be disallowed in their entirety for the reasons stated therein.

B. Reduction of Certain Partially Invalid Scheduled Claims.

16. The basis for reduction of the Claims listed on **Exhibit D** attached hereto (the “Partially Invalid Claims”) is that each of the Partially Invalid Claims asserts, in part, an amount for which the Debtors are not liable.

17. Specifically, after a review of each of the Partially Invalid Claims and the bases upon which it was included in the Schedules, and a review of the Debtors’ books and records, the Liquidating Trust has determined that each Partially Invalid Claim asserts an amount exceeding the amount calculated by the Liquidating Trust based on the Debtors’ books and records.

18. Accordingly, the Partially Invalid Claims identified on **Exhibit D** should be reduced in the manner stated in **Exhibit D** to correspond to the Liquidating Trust's calculation of the correct amount, as set forth on **Exhibit D**.

RESERVATION OF RIGHTS

19. At this time, the Liquidating Trust has not completed its review of the validity of all claims/expenses filed against the Debtors' estates, and reserves the right to further object to any and all claims, whether or not the subject of this Objection, for allowance and/or distribution purposes, and on any other grounds, including the right to modify, supplement and/or amend this Objection as it pertains to any Claim or Claimant herein.

NOTICE AND PROCEDURE

20. Notice of this Objection has been provided to the Claimants identified on **Exhibit B**, and to parties-in-interest in accordance with the Court's *Supplemental Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management and Administrative Procedures* (entered on December 30, 2009 at Docket No. 6208) (the "Case Management Order"). The Liquidating Trust submits that the following methods of service upon the Claimants should be deemed by the Court to constitute due and sufficient service of this Objection: (a) service in accordance with Federal Rule of Bankruptcy Procedure 7004 and the applicable provisions of Federal Rule of Civil Procedure 4; (b) to the extent counsel for the Claimants is not known to the Liquidating Trust, by first class mail, postage prepaid, on the signatory of the Claimant's proof of claim form or other representative identified in the proof of claim form or any attachment thereto; or (c) by first class mail, postage prepaid, on any counsel that has appeared on the Claimant's behalf in the Debtors' bankruptcy cases. The Liquidating Trust is serving the Claimant with this Objection and the exhibit on which the Claimant's Claim is listed.

21. To the extent any Claimant timely files and properly serves a response to this Objection by 4:00 P.M. (Eastern) on November 29, 2012, as required by the Case Management Order and under applicable law, and the parties are unable to otherwise resolve the Objection, the Liquidating Trust requests that the Court conduct a status conference with respect to any such responding claimant at 2:00 P.M. (Eastern) on December 6, 2012, and thereafter schedule the matter for a future hearing as to the merits of such claim. However, to the extent any Claimant fails to timely file and properly serve a response to this Objection as required by the Case Management Order and applicable law, the Liquidating Trust requests that the Court enter an order, substantially in the form attached hereto as **Exhibit A**, (i) disallowing each of the claims identified on **Exhibit C** attached hereto, and (ii) reducing each of the claims identified on **Exhibit D** attached hereto in the amount specified therein.

**COMPLIANCE WITH BANKRUPTCY RULE 3007 AND
THE OMNIBUS OBJECTION PROCEDURES ORDER**

22. This Objection complies with Bankruptcy Rule 3007(e). Additionally, the Liquidating Trust submits that this Objection is filed in accordance with the Omnibus Objection Procedures Order.

WAIVER OF MEMORANDUM OF LAW

23. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in the Motion, the Liquidating Trust requests that the requirement that all motions be accompanied by a written memorandum of law be waived.

NO PRIOR RELIEF

24. No previous request for the relief sought herein has been made to this Court or any other court.

WHEREFORE, the Liquidating Trust respectfully requests that the Court enter an Order sustaining this Objection and granting such other and further relief as the Court deems appropriate.
